*The Badge --- Advertising Policy*

Advertising space is available to all suppliers, garages and taxi trade service providers at extremely competitive rates.

Subject to our terms and conditions, we will also accept advertising from organisations based in London and throughout the UK, offering concessions to LCDC members and to the taxi trade generally.

We reserve the right to reject advertising, which we consider to be offensive, e.g. advertising of a sexually explicit nature which could have a corrupting influence on our younger readers. Furthermore, we will also reject any advertising material which we consider to be detrimental to the image of our profession. -- The Editor.
