The  
Knowledge?**

If you are currently and actively undergoing training to become a Licenced London Cab Driver and are registered as such with the Public Carriage Office, why not enjoy FREE associate membership with the London Cab Drivers Club now.

Doing The Knowledge is hard work and daunting, but don't give up. We have all done it and know what it takes.

You will also automatically assume Full Membership of the LCDC upon gaining and upon production of your All London (Green Badge) or Suburban (Yellow Badge) Licence. Associate membership is now free for knowledge of London trainees. When you obtain your licence, simply notify the LCDC and you will receive full membership status upon payment of the prevailing annual fee.

You will not be entitled to legal representation while you are completing The Knowledge, but we will provide general advice.

Simply complete the LCDC Free Associate Membership application form and return it to the LCDC.
